**New Buffalo Area Schools  
Operating Millage Proposal**

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 1.875 mills are only available to be levied to restore millage lost as a reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore such reductions.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in New Buffalo Area Schools, Berrien County, Michigan, be increased by 19.875 mills (\$19,875 on each \$1,000 of taxable valuation) for a period of 6 years, 2025 to 2030, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 0.2037 mill is levied in 2025 is approximately \$196,276 and 18 mills are levied in 2026 is approximately \$18,548,151 (this would supplement and replace millage that will expire with the 2025 tax levy)?
