

TRIBUTE PLAZA – Brick Order Form

New Buffalo Township is proud to announce the future site of TRIBUTE PLAZA. This new park, located at the corner of US Hwy 12 and Clay Street, which is the former site of the State Police Post, is set to become a special space for reflection and remembrance.

TRIBUTE PLAZA will serve as a peaceful sanctuary where individuals can come to honor the sacrifices of our Veterans. In addition to being a place of private reflection, it will also function as a gathering space for events that recognize and celebrate the service and dedication of our military heroes. *Create a lasting tribute to the brave men and women who have served our country.* A commemorative brick memorial is a meaningful and lasting way to honor the courage and sacrifices of our veterans.

Bricks will be engraved to recognize the military service of
Veterans and active-duty personnel.

Bricks can be purchased through September 30, 2025
