The escrow fees will be established at \$1,000 increments commencing with \$7,500. The initial fee shall be provided at the time of submitting the Affidavit. The Affidavit will not be processed without this escrow fee. Any excess funds will be refunded with no interest accumulating on those funds. The Township shall maintain records and authorize disbursement of escrow funds. The escrow balance shall not fall below 20% of the initial fee. An additional deposit of \$1,000 may be required to continue the review.

An additional escrow amount may be required based upon the anticipated impact the application may have on variables such as project size, location, environmental impact, time constraints, and other factors.
