

PERMIT APPLICATION FOR NEW RESIDENTIAL WATER SERVICE

Owner _____

Service Address _____

Phone _____

Owner/Agent Signature _____

Property Tax ID _____

Billing information if different than above

Billing Address _____

Name _____ Phone _____

Note: Homeowner must have their water line installed out to the proposed location of future meter pit prior to Township starting work. Also, if you choose to use "poly" pipe it must be Copper Tube Size "CTS" and Drinking Water "DW" rated. Township will not connect to any piping not meeting this standard. By filing out this application, applicant agrees to abide by all current and future New Buffalo Township water ordinances. If you are requesting a larger water tap, 2" or above, you must pay the minimum 1" tap fee upfront, the balance for the upsizing (time & material) must be paid prior to Township turning water on. You will be notified of those additional charges.
