Proposal Section	Community College
Village	Lake Michigan College Charter Millage Renewal and Reduction Proposition for Capital Purposes
Grand Beach Village Headlee Override of Operating Millage	This proposition is to renew and reduce a charter millage for community college capital purposes that will expire with the 2026 levy.
Shall the Village of Grand Beach, County of Berrien, Michigan, be authorized to levy an increase in the amount of allocated operating millage in an amount of 3.2463 mills (\$3.2463) on each One Thousand Dollars (\$1,000) of taxable value of all real and personal property within the Village of Grand Beach by overriding the Headlee Amendment and bringing the Village's current general operating millage of 5.7537 to a total of nine (9.0) mills as authorized by law? The estimate of the revenue the Village will collect from the increase in the operating millage if the increase of 3.2463 is approved and levied by the Village in the first year (2025) is approximately \$607,699.79.	Shall the previously voted charter tax rate limitation on the amount of taxes imposed upon all taxable property within the community college district boundaries of Lake Michigan College, Michigan be renewed and reduced to the amount of 0.24 mill (\$0.24 per \$1,000 of taxable valuation) for a period of ten (10) years, 2027 to 2036, inclusive, for the purpose of safety and security improvements, energy efficiency upgrades, renovation of instructional spaces, instructional technology upgrades, and other capital improvements; if approved, the estimated revenue the millage would raise in 2027 is approximately \$3,200,000 (this is a partial renewal of millage that will expire with the 2026 tax levy)?
